Dear friend! This morning I got the letter enclosed here from the Shaikh Tubrawardi. I pray you, to send it back to me after reading. You must take in consideration June 16, 99; 40, 43; 48, 5; 57, 17. -

I will start the 16. inst. for my British journey and call on Frank crossing Holland. My route is ~~Wilton~~ <sup>Wilton</sup> & Hook of Holland - Harwich. The Senators of Aberdeen honoured me by offering the degree of

L.L.D. I am now a very magazine of  
Doctor-Degrees. I am not?

I am reading just with a veritable furor  
the كتاب الحيوان of Dyak in the thirteenth  
edition (4 parts appeared of the 7 comple-  
ting the work); yesterday this lecture  
revealed me a wonderful argument  
for the Buddhist influence on Islam.

والسلام ورحمة الله وبركاته

وتدريجكم في كتاب الله تعالى

Yours faithfully
